

THE LOS ANGELES RECOVERY SERIES

A Virtual 5-Part Panel Series on *Re-envisioning Our Cities*

Part 1 of 5

Urban Design and Planning

Thursday, July 30, 2020

12:00 - 1:00pm

In the context of an ongoing pandemic, with our cities never more critical to basic human survival, this virtual panel series will explore how we can re-envision Los Angeles to emerge from social challenges and market uncertainty; to make our communities healthy and safe, more equitable and resilient. Join us as local leaders share insights on how Los Angeles is building the future.
